

List of Registered Crypto-asset Exchange Service Providers in Japan

As of 28th Feb, 2022

- The crypto-assets handled by the Crypto-asset Exchange Service Providers listed in this list are merely confirmed to fall under the definition under the Payment Services Act, considering the explanation of the Crypto-asset Exchange Service Providers.
- Financial Services Agency and Local Financial Bureau do not guarantee or endorse the value of these crypto-assets in this list. Crypto-assets do not necessarily have assets backing them.
- Please be aware of the following points when trading crypto-assets.
- The cryptoassets treated by cryptoasset exchange service providers may differ from their current status.

«Notes on the use of crypto-assets»

○Crypto-assets are not "legal tender" whose value is guaranteed by the government, such as Japanese Yen or US Dollar. They are electronic data exchanged on the Internet.

○The price of crypto-assets may fluctuate. The price of crypto-assets may plummet and you may lose money.

○Crypto-asset exchange service providers need to be registered with Financial Services Agency and Local Financial Bureau. When using crypto-asset exchange service, please confirm whether it is a registered service provider or not on the websites of Financial Services Agency and Local Financial Bureau.

○When trading crypto-assets, be sure to receive explanations from the service provider you intend to use and fully understand the details and risks (price fluctuation risk, cyber security risk, etc.) of the transaction, including whether the service provider has received administrative punishment from Financial Services Agency and Local Finance Bureau.

○Consultations regarding crypto-assets and fraudulent coins are increasing. Please be aware of scams and malicious business practices that take advantage of the buzz of crypto assets or take advantage of the entry of crypto-assets exchange business.
